Boulder, CO 80304

Profile

Hello, my name is Conor and I'm earning my B.S. in Computer Science at CU Boulder. I like to write code, fix bugs, and learn with enthusiasm. In my free time, I like to enjoy Colorado's beautiful outdoors in any way possible.

Coding

HTML, CSS, Javascript, Wordpress, Drupal — 2011 - present
I have been learning web development techniques and tools since high school, front end and back end.

C++, C, Python, and Scala — 2014 - present
I have been working in the classroom and on my own to excel at programming. I learn the fundamental concepts and apply them to quickly learn new things.

Education

University of Colorado - Boulder, CO — B.S. in Computer Science, 2017
Shining Mountain Waldorf High School - Boulder, CO — 4.0 GPA and president of National Honor Society, 2013

Experience

Lead Web Designer, ASSETT/OIT, CU Boulder; Boulder, CO — 2015 - present
Experience with HTML/CSS, and Content Management through creating official university websites. Also experience training new employees.

Admin Team Member, HackCU; Boulder, CO — 2016 - present
I recently joined the admin team of HackCU, organizational body for the university's two largest hackathons, HackCU and Local Hack Day.

Safety Enforcement Staff, Gateway Park; Boulder, CO — 2013 - 2014
Lots of customer service experience, as well as some managerial duties.

Volunteer Assistant, Triform Camp Hill Community; Hudson, NY — 2012
Three weeks as live-in caretaker in community for developmentally disabled adults.

Skills

As a computer science student, I'm gaining all of the expected skills, but also expanding upon them through my extracurricular projects.
